2026 SPONSORSHIP OPPORTUNITIES

 **THE GRODEN NETWORK**
Your Autism Experts

***Together, we go beyond the walls
and beyond expectations.***

Dear Friend,

We are excited to introduce a new opportunity for Coastal1 to make a lasting impact in the lives of individuals with autism and developmental disabilities—the **Beyond the Walls Sponsorship**.

Thoughtfully designed to align with the priorities of our corporate partners who place service and community impact at the core of their philanthropic efforts, this naming-rights sponsorship combines traditional recognition benefits with meaningful, hands-on volunteer opportunities for your team.

All proceeds from Beyond the Walls directly support client care—benefiting more than 800 individuals and families in your community. Your sponsorship helps fund skill-building activities, community outings, and individualized supports that foster independence, confidence, and joy for those we serve.

Through this partnership, Coastal1 can demonstrate its commitment to inclusion and community action. Together, we can extend care and opportunity beyond the walls of our classrooms and residential homes—empowering individuals with autism and developmental disabilities to lead productive, fulfilling lives in their community.

Thank you for considering this meaningful opportunity. Enclosed, you'll find our sponsorship packet outlining the impact, benefits, and ways your organization can get involved. We look forward to the possibility of working together to make an impact where it matters most—with the individuals and families we support.

With gratitude,

Jill Precopio
Director of Philanthropy & Marketing

The **Beyond The Walls Sponsorship** gives corporate partners a meaningful opportunity to engage more deeply with The Groden Network's mission of helping people with autism and developmental disabilities lead productive, dignified, and fulfilling lives.

Designed as year-long naming rights, this sponsorship will support one of our twenty four residential group homes. You'll learn about the clients who live there, get to know them through unique volunteer experiences, and receive custom social media content you can share with employees and customers.

No Friday night events. No fancy clothes. No banquet dinners. Just more of your gift making a bigger impact where it counts.

Every number tells a story.

At The Groden Network, we measure more than data points. We measure progress, independence, and the meaningful moments that shape our client's lives. By translating outcomes into numbers, we make visible the scale of change that might otherwise go unseen.

14 unique programs. 850 clients. 1 mission.
